## THE POWER OF AN IDEA

Polishing the Pulpit began with three friends getting together to brainstorm sermon ideas. We invited other friends and someone said, "This is great! We should tell others."

We did and invited a speaker to discuss sermon preparation and give sample sermons. Interest increased; more speakers were invited. We moved to a hotel conference area. We dreamed big. "Let's invite the best speakers in the brotherhood and see who we can get." They came. Wives wanted in, so we added women's classes. While these great speakers were assembled in one place, we decided to offer classes for elders. They loved it. People began coming from all over the country.

Youth workers and deacons became interested. We added tracks for them. PTP moved to a large event center in the Smoky Mountains. Attendance approached 1,000. Christians from other nations began coming.

"Why don't you have classes for regular members?" we were asked. So we added Spiritual Renewal Weekend, as well as tracks for members, teens, and children. Attendance passed 3,000.

That brings us to 2015. The largest PTP ever is in the works—190 speakers, 13 concurrent sessions each hour, and nearly 700 separate topics spread over seven days. Our attendance goal is 4,000.

What does God have in store for PTP now? Come and see!

PTP is for  
**every member**  
of the Lord's church

# WHAT'S NEW FOR 2015?

**Off-site, Just Right Classes:** Going back to its roots, PTP will offer textual classes on the Bible in a church auditorium. Held at the Sevierville building, such men as Dan Winkler, Alan Highers, B. J. Clarke, and Terry Edwards will offer extended classes on Bible texts. You will need to wear your lanyard as a registered PTP attendee.

**Keynotes Only.** Save \$50 by “parking” in the Exhibit Hall and listening to the keynote classes all day. This will help alleviate crowding in smaller rooms and halls and save walking. A “Keynotes Only” lanyard also allows one to attend the morning devotionals and marriage classes, and the “Off-site, Just Right” sessions.

**The Most Important Passages in Leading Someone to Christ.** Kirk Brothers will show three pairs of passages that have proved very successful

in evangelism. Steve Hodgins will show an evangelistic approach he takes from Acts 8. Don't miss these sessions!

**Single Mingle (over 40).** Games, Snacks, Conversation. This year we are dividing the group by ages. Those who are forty and over will meet with Brandon and Mary Carole Jackson in one end of the Food Court and those under forty will meet with Ben and Hannah Giselsbach in the other end. Come meet some new friends!

**Late Tech.** Sam Dilbeck and Michael Hite will offer professional advice on PowerPoint, Bible programs, and other tech products preachers and church workers can utilize to save time and increase effectiveness.

**Preaching the Tough Stuff.** How should we approach subjects like homosexuality, suicide, and addiction?

**Writers.** John Allan will conduct a series on “Better Writing.”

**Parents of an Addict...** Hear Michael and Mitchell Rogers open up about drug addiction both the perspective of the addict and the parent trying to win him back. You'll leave encouraged!

**Expanded Weekend Schedule.** Those staying only for the weekend will find a larger selection of classes that are a sampling of what will go on the rest of the week. More value for your money!

**Why I Left Judaism.** Greg Wanderman grew up in a Jewish family, obeyed the gospel as an adult, and now preaches Jesus as the Son of God. Hear him talk about how to reach Jews with the gospel.

**Keith Mosher's Lectures on the Holy Spirit.** What does it mean to be led by the Spirit? What is the gift of the Spirit? What about the direct illumination of the

Spirit? Brother Mosher has taught preacher students on the doctrine of the Holy Spirit for more than a quarter century.

**Paul's Maritime Adventures.** Wayne Dixon, an engineer surveyor who worked on the Chesapeake Bay Bridge Tunnel, will offer a professional's insights into Paul's voyage to Rome. In his in-depth (3 sessions) analysis, see things in the text that you never noticed before.

**Down in the Dirt, Deep in the Text.** Terry Edwards will take an archaeological look into famous cities of the Bible, as well as Paul's first missionary journey, which he has spent a lifetime studying.

**The National Media Spotlight.** In 2014 an elder, his wife, and daughter were murdered while returning home from Sunday services at the Cadiz church of Christ. Randall Evans preaches where this happened, and he will explore the things that

transpire when your congregation's world is turned upside down without warning.

**Anti-ism.** Robbie Eversole will tackle a topic PTP has never covered in its twenty-year history.

**The Greatest Sermons Preached in the Last 200 Years.** Hear some of our best communicators re-preach the great sermons of a hundred or more years past.

**Prodigal, Come Home.** No heavier burden is carried than parents whose children leave the church. This year PTP offers hope and help. Approached from personal experience and a lifetime of Bible study, Gary Hampton will offer hope to parents whose children have left the faith. For the women, Kathy Pollard has spent the last two years researching and writing a book on what to do when your loved ones fall away called *"Return to Me."* Come see what she learned.

**A Doctor...** Listen to a podiatric surgeon discuss the design and function of the human foot and its use in illustrating spiritual truths and values. Dr. Jonathan Moore of Somerset, Kentucky, is a highly successful podiatric surgeon. Jon manages several medical practices and serves on the board of the American Association of Podiatrics, but his first love is teaching and preaching. He will also talk to teens about understanding adolescence.

**A Lawyer...** Listen as Bob Veil discusses "How I Would Prove to a Jury that the Bible is God's Word," "The Case for Christianity," and "A Prosecutor Looks at the Bible." Bob formerly served as a full-time prosecutor for the Office of the State's Attorney for Washington County, Maryland.

**And a Policeman...** Jonathan Zirpolo will discuss "Warning Signs for Parents of Teens."

# MISSIONARY RENDEZVOUS

Trappers in the American West gathered as early as 1832 for a two-week rendezvous at Pierre's Hole in the Rocky Mountains. Each year, Indian and mountain man camps extended along the west side of the Teton Mountains, covering an area of seven square miles. It is estimated there were 400 mountain men, 108 lodges of Nez Perce, 80 lodges of Flatheads, and over 3,000 horses.

The rendezvous served several purposes, including selling furs, resupplying for the coming season, and recreation, contests, and games. Most participants looked forward to it all year and had a good time swapping tall tales.

Missionaries, often alone in unfriendly territory, are the rugged mountain men of today's church. Like Pierre's Hole, PTP is a rendezvous in the mountains to recharge and resupply for the coming season. Instead of swapping tall tales,

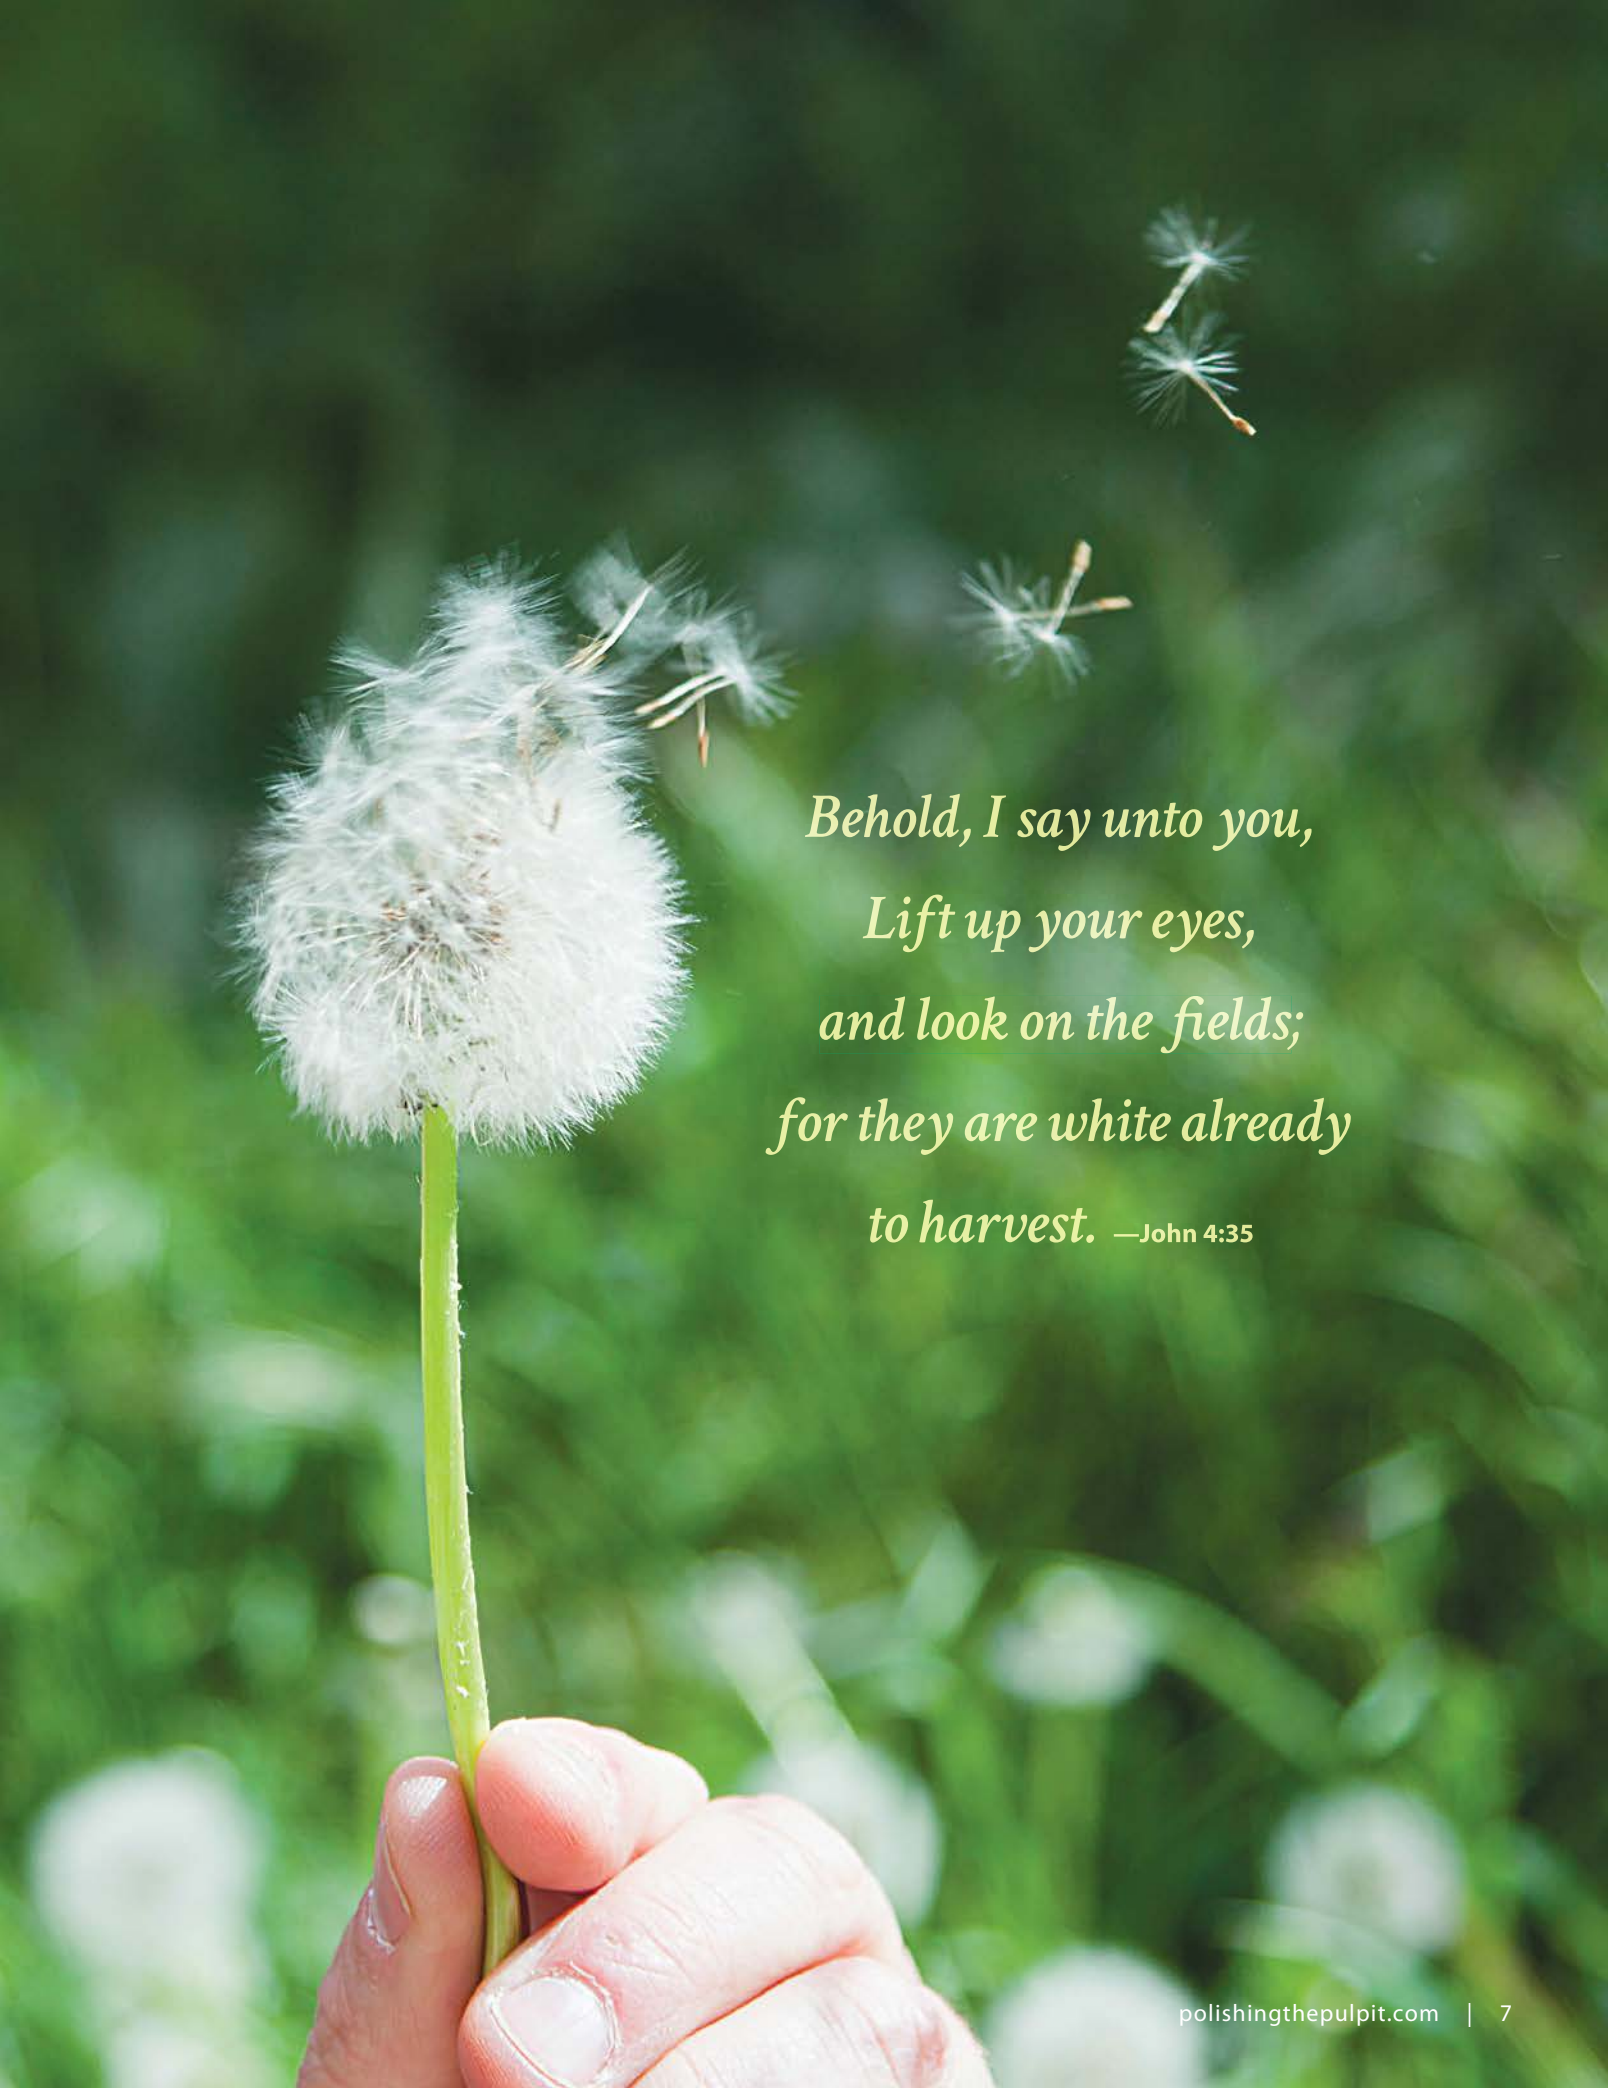

we swap sermons and ideas. Instead of playing games, we exchange information. Instead of selling furs, we enrich the soul through vibrant worship with more than 3,000 saints.

Ten nations were represented at last year's PTP. Just imagine if we could encourage all our missionaries to make PTP a part of their support trips and furloughs. Think how much it could help the kingdom to have elders and church members invite their missionary families to join them at PTP and pay their way to come. To meet with a larger gathering of saints than they ever see on the mission field and to hear soul-stirring messages will recharge their batteries and extend their mission service.

The expanded track has 20 sessions over seven days, not counting evangelism and preacher classes.

*Behold, I say unto you,  
Lift up your eyes,  
and look on the fields;  
for they are white already  
to harvest. —John 4:35*

## Meals

The Hidden Trail Grill and Events Center Food Court serve breakfast, lunch, and dinner. Wilderness rooms have microwaves, refrigerators, and coffeemakers. Most people eat out with friends at area restaurants.

**Snacks/Drinks:** Available for purchase at hotel and Events Center.

**Is registration required if I am only coming for one day?** Yes, a day pass is available (\$99). Registration information is required even if you are receiving financial assistance or if you plan only to attend a few sessions.

**What is the usual dress for the sessions?** Dress/casual. Most men wear ties or pullover shirts to the day/night sessions. Ladies wear dresses or pant suits. Suits and dresses are usual for worship services. The elders request conservative modesty rules be observed throughout PTP. Please no skirts above the knee, no shorts, tight clothing, and no tops that show cleavage. The rooms are often cool, so bring a sweater or jacket.

**Is applause appropriate after speeches?** No (but “amens” are encouraged!)

**May I record the sessions?** Yes, from your seat. You may not put anything on the stage or pulpit. Also, no cords may be in the aisle.

**Is transportation provided to off-site events?** No, but this is a friendly group, and many are driving vans with extra space, so let someone know if you need a ride.

**Do you have to be a preacher or elder to attend?** Anyone is welcome to attend. There are classes for all church members, deacons, youth workers, women, teens, and kids.

**May ladies attend men’s sessions?** Yes. While there are women’s classes throughout the day, women may attend men’s sessions.

**May men attend ladies’ sessions?** No (1 Timothy 2:12–13).

**Must I stay in one track?** No, most “cross the tracks” and attend the classes that interest them the most.

**Will transportation be provided from the airport?** No, but there are taxi service and car rental options.

**What about the waterpark at the Wilderness Hotel?** The hotel waterpark will be closed during PTP. All the directors and overseeing elders strongly oppose mixed swimming because of the Bible’s teaching on modesty (1 Timothy 2:9), our

responsibility to avoid being a stumbling block to others (Romans 14:13), and our need to avoid putting ourselves in the path of temptation (Matthew 5:28; 6:13).

**Will child care be provided?** Yes, during most women’s sessions. Children must be potty-trained and between ages 2–6. There is no charge.

**May I take my child under 2 into sessions?** Yes. We ask parents to take a child out **immediately** if he/she cries or makes noise. You will be able to listen to the lesson after PTP with the thumb drive you will receive on the final day.

**There is no convention-wide public announcement system**, so please accompany small children at all times.

**What are the locations of exhibits, sessions, etc?** PTP sessions are held in two places: the Events Center Conference area and Hotel Meeting rooms. These are within walking distance of each other. The locations for each track are listed in the schedule. (Note that the Events Center has both Ballrooms and Meeting Rooms.)

**Is there anything for children and teens?** We have a full slate of classes and activities for children, ages 2–18.

**Is parking free?** Parking at Events Center is included in registration fee.

**Do I have to stay at the Wilderness Hotel?** No. We negotiate discounted prices at area hotels (see page 10). Remember to mention PTP for discounted rates.

**May we arrive early or stay over?** The hotel discount is good for two days before and after PTP, so feel free to relax before or after PTP. Exhibitors can begin setting up at 7:30 a.m. on Friday.

**Will I have wireless Internet access?** Internet access is free at the Wilderness Hotel (and most area hotels) and the Event Center (WIFI username: ptp, password: guest).

**May I make an announcement to the group?** No, but there are tables in the hall where you may put flyers or other free material.

# CAN'T AFFORD TO COME?

We do not want anyone who needs a re-charge to miss PTP because we charge for it. Some of the more discouraging works may be the very churches that cannot afford to send someone, so we've worked it out so one can come anyway.

Financial assistance covering part of the fee is available for many who cannot otherwise come. Please do not apply just to see what you can get, but only if you cannot otherwise come. Fill out the form in the online registration process at [polishingthepulpit.com](http://polishingthepulpit.com). To sponsor someone, contact Kelli Sewell ([kelli@housetohouse.com](mailto:kelli@housetohouse.com); 877.338.3397).

## Why a Fee at All?

From the beginning, the preachers who put PTP together expressed a desire to the Jacksonville elders to help bear the cost of what was benefiting their local works. It has always been a cooperative work.

PTP differs from a revival or evangelistic service in that it is a cooperative work of many congregations in educating and edifying their leaders, teachers, and members.

PTP is a workshop—a type of school. Its purpose is continuing education for preachers, elders, and other kingdom workers. Some churches establish schools to train preachers, and then other congregations send their young men to study in those schools. They assist the overseeing congregation with the finances required to run the school.

This is what churches do with PTP. The Jacksonville church of Christ oversees the work, and other churches and individuals help bear the expense by covering the cost of sending their preachers, elders, and other members. If it is good to send a young man to a school for two or four

years to begin his education, then it makes sense to send him a year later to PTP to continue his education.

Splitting the cost equally among those attending is also fair. The fee pays for the materials participants receive during the week (schedules, books, handouts, etc.), promotional costs, some of the meal costs and child care, equipment rental and conference space costs, and speakers' lodging and travel expenses.

No church or individual makes anything from PTP. In fact, the overseeing church, hosting churches, directors, and many individuals sacrifice a great deal to make up the shortfall each year.

We rejoice that this cooperation enables the brotherhood to have an event that otherwise would not be possible.

# CHILDREN'S CLASSES

Children's classes are for children ages 2–12. Teen classes and activities are listed in the adult schedule.

Children may be dropped off 15 minutes before to the beginning of class. Please notice the times that children's classes end and pick up your children accordingly. Please make sure we can contact you via cell phone anytime your child is in class. However, we ask that your phone remains on vibrate or silent so as not to bother the speaker.

Children have evenings off.

**Coordinator:** Ricky Berger

## New this year...

PTP is recreating a first-century village with a dwelling place, stable, market, temple, and common place to help children better understand the world of the Bible. See pages 2–3 for more details.

## Ages 2–5

Child care is divided into ages 2–3 (potty-trained only) and ages 4–5. A little learning, a little fun, a great first memory of PTP!

## Ages 6–9: PTP VBS

PTP VBS is a fun way to learn the Bible. Children have a fast-paced varied class style where the same teacher teaches the same lesson to different students each day. By week's end, all students have been to all classes, plus enjoyed Digger Doug DVDs, learned many new songs, and enjoyed Bible-based games. Celine Sparks coordinates the morning sessions with a host of parents, preachers, and others who love children and help out. Digger Doug and Iguanadon have been known to show up once in a while.

## Ages 10–12: PTP Camp

In the mornings, 10-year-olds enjoy instruction and games. They then join 11–12-year-olds in PTP Christian Camp. Chad Dollahite, Brint Rice, Rob Baker, and Jason Chesser from Backwoods Christian Camp bring decades of experience working with children in a camp setting. Children gain valuable lessons in a fun atmosphere. In the afternoons, there is an optional Future Preachers class for interested boys.

## CHILDREN'S CLASSES SCHEDULE

Children's classes are held in Exhibit Hall 2 (EH2).

# TEENS

## EXTRA TEEN CURRICULAR!

2015 TEEN T-SHIRT

### LATE NIGHT PTP

#### Classes teens actually want to go to!

Rock solid truth presented by great speakers who understand young people.

This year features divided junior/senior high, girls only/boys only classes, and age restrictions on night activities (13–18 only!).

#### Singing straight from heaven

Sing old favorites, learn new favorites, and praise God with the voice He gave you.

#### Night owls

Special late-night activities in the Exhibit Hall include games, get-acquainted activities, and inspiring singing and thought-provoking devotionals.

#### It's all about relationships

Teens love the classes, but they buzz about the fellowship. It's about people—seeing old friends and meeting new ones. Some friendships begin at PTP and last a lifetime—even into heaven!

#### Digging in the Word

PTP teens want meat and not just fluff, they keep telling us. So this year we added textual classes covering the book of Proverbs to the teen track. Dig in!

#### Friday Night

Children and pre-teens can take advantage of a bouncy castle. Teens can race each other in a huge, inflatable obstacle course!

#### Pigeon Forge Community Center

Youth Late Night. Our group has exclusive use of the Pigeon Forge Community Center (3 basketball courts, bowling center, racquetball courts, walking track, fitness center, ping-pong, foosball, and a PlayStation). No charge. Children under 12 may attend with a parent.

#### MagiQuest

Step into MagiQuest for the journey of a lifetime! Located at traffic light 2A at 2491 Parkway, Pigeon Forge (see map on following page), MagiQuest is a world within the real world where you embark on quests and adventures to gain powers, reveal secrets, meet people, and discover magical treasures! This also includes Pirate Golf, Odyssey Mirror Maze, the Vault Laser Challenge, and the Tomb Egyptian Adventure across the road. Ages 12 and under may attend with an adult. The cost per person is \$15.

#### Teen Late Nights/Singing

New games, gender wars, and more. Ages 13–18 only.

#### Take Home a Photograph

Would you like a picture with some of the great friends that you've made at PTP? Capture a shot of your group with our free photo booth. The photo booth will be set up on Saturday and Wednesday nights so that you can capture a picture before heading home. Use the funny props to spice it up! You can upload photos to Facebook and Instagram through our iPad.

#### Important Stuff

- Appropriate dress for sessions is pants/shirts. No shorts, short skirts, or low necklines anytime at PTP (including social events and after hours). PTP T-shirts are highly thought of!
- The elders ask that we not use the pool areas during PTP (see FAQs).
- PTP T-shirts are available.
- Maps/directions: pages 15 or 16, or use the PTP 2015 app.

# BUILDING FAMILY MEMORIES

## Take a “Pray-cation”

You have heard of a vacation, and lately stay-cations have become popular, but PTP gives the unique opportunity for a “pray-cation.”

Many families and friends take their annual vacation to attend PTP, which offers an opportunity to combine the beauty and fun of the Smoky Mountains with

the spiritual renewal of Bible lessons, worship, singing, and prayer.

PTP is the one event that the whole family looks forward to. Children love PTP VBS and PTP Camp. Teens can’t wait to see their friends again, and make new ones. Mom enjoys classes from a woman’s perspective. Dad gets his pick of an array of subjects to challenge,

motivate, and encourage him. Getting to eat out a few times, driving through Cades Cove, playing putt-putt, doing some outlet shopping, or squeezing in a game of golf are just added benefits.

For the same cost as a family vacation, or perhaps a great deal less, a family can return home revived physically, emotionally, and most important, spiritually!

# House to House Heart to Heart

## Interested in spreading the Word in your community?

Churches of Christ throughout the world are working together in sending *House to House / Heart to Heart* (HTH) to reach the lost in their communities. Over 1,000 congregations in all fifty states and thirty-five foreign countries send out more than 2.5 million copies each issue.

Church members use HTH as a conversation starter for countless door-knocking campaigns. The customization of the front and back pages allows local congregations to advertise upcoming events. Most important, HTH puts a positive face on the churches of Christ in the minds

of millions of people. There is not a more effective way to reach your entire community.
