The Lord disapproves of deviations from his will regarding gender assignments in congregations of His people (1 Timothy 2:1-15).                             | Young Adults/Singles and Elders' Breakout and Members | Hotel Cades Cove | 21-Aug |

It's about teaching children between the ages of 4 and 14-years-old. It's hard to overstate the importance of this mission. As church researcher George Barna has said, "What you believe at age 13 is pretty much what you're going to die believing."   | Elders and Preachers                                  | SEC Ballroom A   | 21-Aug |

You've probably heard of the 10/40 Window, the term referring to those countries that fall between 10 and 40 degrees north of the equator and have historically presented the greatest challenges to Christian missions. What's less known is that the same man who coined the 10/40 Window has spent the last decade urging ministry in the 4-14 Window.   | Elders and Preachers                                  | SEC Ballroom A   | 21-Aug |
