

...stir up your pure minds by way of remembrance (2 Peter 3:1).

The best week of the year!

What is PTP? There is no easy answer.

It is like a lectureship, but it is not a lectureship. It is like a gospel meeting, summer camp, preachers' luncheon, Bible class, church fellowship, elders' retreat, missions report, ladies' day, youth rally, marriage retreat, training for service series, annual singing, VBS—but it is none of these things.

There is simply no way to describe the PTP experience to someone who has never attended.

You just have to be there—when 5,000 people join in worship, it is indescribable—when 1,000 preachers feast on the Word and share their expertise, it is unlike anything you've seen before—when elders share wisdom to solve complicated issues, you'll be amazed—when 1,200 teens and youth get together, the excitement is palpable—when hundreds of women grow together spiritually, the joy is evident. When 200 speakers cover

700 topics in 12 concurrent classes over seven days, your spiritual bucket will overflow and your heart will soar. When the constant challenge is deciding which class to attend because they all sound so interesting, you'll know you're at PTP.

The lessons are only part of the PTP experience. The fellowship . . . oh, the fellowship! Reconnect with friends from school or former congregations, meet legendary speakers one-on-one, and make new friends for networking and accomplishing wonderful things in the kingdom.

Discouraged? Several preachers who had decided to quit preaching went home from PTP determined to keep on serving. Congregations have been restored, mission works started, marriages saved, and friendships formed at PTP.

You just have to come to understand.

NEW AND IMPROVED

More panels! More short sessions! New speakers!

Don Blackwell Is Back. The Frailty of Life: What I Have Learned Since Getting on a 4-wheeler Three Months Ago (pg 37).

Pre-conference Seminars. Joy, Apologetics, Bible Interpretation, Family, Evangelism (pg 14–18).

Apologetics Field Trip to Knoxville Natural History Museum. Take a guided tour of McClung Museum of Natural History & Culture in Knoxville, Tennessee. Jeff Miller and Dewayne Bryant will lead the tour and discuss “Ancient” Man: How to Interpret the Physical Evidence from Paleontology, Geology, and Archaeology in Light of Scripture on the way. Meet at the bus at 2:10 p.m. Friday in front of Event Center. Cost is \$15 per adult; teens and children are free. Space is limited. Registration details will be sent to preconference attendees.

Spanish Translator (Clases en Español) Live Spanish translation will be available for many classes. Look for titles in green text in the schedule to indicate which classes, and visit the registration table to learn what you need to pick up a headset.

Engaging the Skeptics Classes. We live in an age of increasing skepticism. It is not uncommon to have those among our families and friends who lose their faith, and soul-winners frequently have to deal with apologetic subjects. Join Caleb Colley as he gives insights into how to engage and answer the skeptics (pg 21, 24).

A Funny Thing Happened on the Way to Heaven. A fun session where preachers share some of their funny moments in ministry (pg 50).

A House Divided: Clearing up the Confusion on the One-Cup Issue. Douglas Dingley (pg 42, 46, 48).

Jonathan Harrison’s Classes on the Media and Children. Jonathan’s seminar is important for parents to hear. He deals with tough issues that are essential into today’s world (pg 24, 27, 34, 38).

An Ancient Coin Cleaning Workshop. Luke Griffin will provide hands-on

experience teaching students how to clean and ID ancient coins. Each will receive an ancient coin for free and get to keep the coin that they clean (pg 48).

SOE Certificate of Advanced Study. Details on page 3.

Bring a Friend Night (Tuesday). An opportunity to evangelize the city while in town for PTP. Bring someone to hear Dan Winkler preach the gospel!

Keep Your Faith in the Lion’s Den. Insights from Chet Duke on Yale’s campus (pg 44).

Is Your Congregation Dying? Here’s How to Bring It Back. Congregations often ebb and flow. Families move away. One generation turns the reins over to another. Join David Hamrick as he discusses ideas to bring a congregation back to life. David has worked with several struggling churches, and each doubled in size. Here are some workable ideas to take home with you (pg 19).

Bedtime Devotionals for Children. PTP thinks outside the box. Join other families this year for our latest idea—Bedtime Devotionals for Children. This will be for children ages 2–9 and their parents. Bring your children for a devo before taking them to the room to sleep. These nightly sessions will be geared for different ages and will serve as examples of how to conduct daily family Bible time when you return home.

The Preacher and His Work. Join Jimmy Holland, minister of the Fort Payne church of Christ, who will be conducting interviews with preachers to be aired on Gospel Broadcasting Network. These 4-min interviews will begin airing on GBN shortly after PTP. We invite all preachers to join Jimmy Friday–Tuesday (at noon) in the interview room next to the entrance to EHA. For more info, contact Bob Strickland at 804.301.5578.

Expanded “Hangout” Sessions for Singles. Each year the singles’ hangout sessions grow. This year we divide into four age groups so those attending will be with those closer in age and interests.

Why Do So Many Youth Become Disenchanted with the Church?

Different speakers will discuss reasons youth leave the church and suggest ways to reverse these trends. They will discuss culture, spiritual abuse, religious harassment, ignorance, sin, and perverted authority. Speakers will also suggest methods of recovery. These classes will be appropriate for church leaders, youth workers, and parents.

Preacher Therapy Sessions. Preachers are on the front lines of the spiritual battlefield. Most eventually find themselves discouraged—even wounded. PTP exists to help them renew, refresh, and recharge. No one quite understands ministers like older preachers. If you are going through a challenging time, schedule a time to privately discuss what you are facing with Mike Vestal or Gary Hampton. Wives are welcome.

Skylift Park Gatlinburg. Experience the longest suspension bridge in North America with a spectacular view of the Smokies. Gather a group and order tickets two days early for a price of \$19.95, or pay \$23.95 at the gate. Children 3 and under are free. Go anytime, but we are designating 12:00 p.m. Saturday afternoon as a time for PTP attendees to be there and for teens to go as an activity.

Extreme Focus. Larry Kirby shows how to stay with Christ through incredible personal loss and heartache (pg 31).

CONTINUING EDUCATION / MENTORS

Missionary Rendezvous

Eleven nations were represented at last year's PTP. Missionaries are now making PTP a part of their support trips and furloughs. Elders and church members invite their missionary families to join them at PTP and pay their way to come where they meet with a larger gathering of saints than most have ever seen on the mission field. They hear soul-stirring messages to recharge their batteries and extend their mission service. This year the expanded missionary track has 17 sessions over seven days.

Mentors

One exciting thing about PTP is the chance to meet one-on-one with

well-known preachers, missionaries, and writers of the brotherhood and to meet with others who struggle with the same issues as you.

There are many opportunities to benefit from the experience of others.

New Panels! There are panels on how to set up an effective visitation program, evangelism, finding a mate, questions about baptism, and pain/grief.

Graybeards' Forum: The immensely popular Graybeards' Forum is back. This session features preachers who are 60 and over giving life advice from their vast experience and study. It's always the last day of PTP (pg 51).

Homeschool: Get together at the home-school huddle to exchange ideas, attend a panel, or listen to advice from those who have been through it (pg 24, 46).

Meet and Greet

There is a meet and greet for churches looking for preachers or preachers looking for churches. Bring résumés and job descriptions to the Concourse Room at 4:30 p.m. on Monday.

The panel on drug addiction has a meet and greet to provide an opportunity to speak with the members of the panel (pg 27).

There is also a meet and greet for adoptive families (pg 37).

CERTIFICATE PROGRAM

Receive a PTP certificate by attending PTP classes! Successful participation for five years (32 hours of instruction per year) in the certificate program qualifies you for the PTP diploma. There is no additional charge.

Join us Wednesday at 6:45 p.m. to honor our graduates.

PTP 2018 Graduates

THE PROCESS:

Step 1: Choose your track.

Step 2: Sign up for the program by picking up your Certificate Form from Kelli Sewell at the PTP registration table.

Step 3: Attend 20 classes from a single track and 12 elective classes and mark them on the certificate form. (The class number corresponds to the class session in the schedule.)

Step 4: At the end of PTP, return your certificate form and signed honor code with the list of the classes you attended and a statement that your notes are assembled in proper order. (You do not turn in your notebook.)

Step 5: Your certificate will be signed and mailed to you after PTP.

GRADUATE PROGRAM

For those who have gone through the certificate program, we are going to add graduate programs in various fields. Details will be coming, but we will have a few specialized areas and challenging requirements.

We are offering an advanced certificate of study in Evangelism.* Space is limited and there will be a sign-up sent to everyone who is registered for the preconference.

HTH School of Evangelism:

Lesson 1: Let's Get Motivated: This session will relay several personal accounts of conversions. It has worked and is still working.

Lesson 2: Let's Stay With the Message: This session focuses on the power of the Word. We must put the Bible back into personal Bible studies!

Lesson 3: Let's Talk about the Manner: How do you get into a Bible study? We will look at Jesus and how our Master Evangelist was able to develop such a large following.

Lesson 4: Let's Not Argue about the Method: It's time to introduce "Back to the Bible" and demonstrate how to use it along with charts from my PE workbook.

Lesson 5: Let's Apply the Model: In this session we discuss difficult situations and take your questions. How does this work in the world?

Each student will given the Bible study material and a free copy of Rob Whitacre's Evangelism book.

*Additional classes need to receive the HTH School of Evangelism Certificate of Completion. Details available on-site.

Why Charge Tuition at All?

From the beginning, the preachers who put PTP together expressed a desire to the Jacksonville elders to help bear the cost of what was benefiting their local works. It has always been a cooperative work.

PTP differs from a revival or evangelistic service in that it is a cooperative work of many congregations in educating and edifying their leaders, teachers, and members.

PTP is a workshop—a type of school. Its purpose is continuing education for preachers, elders, and other kingdom workers. Some churches establish

schools to train preachers, and then other congregations send their young men to study in those schools. They assist the overseeing congregation with the finances required to run the school.

This is what churches do with PTP. The Jacksonville church of Christ oversees the work, and other churches and individuals help bear the expense by covering the cost of sending their preachers, elders, and other members. If it is good to send a young man to a school for two or four years to begin his education, then it makes sense to send him a year later to PTP to continue his education.

Splitting the cost equally among those attending is also fair. The fee pays for the materials participants receive during the week (schedules, books, handouts, etc.), promotional costs, some of the meal costs and child care, equipment

rental and conference space costs, and speakers' lodging and travel expenses.

No church or director makes anything from PTP. In fact, the overseeing church, hosting churches, directors, and many individuals sacrifice a great deal to make up the shortfall each year.

We rejoice that this cooperation enables the brotherhood to have an event that otherwise would not be possible.

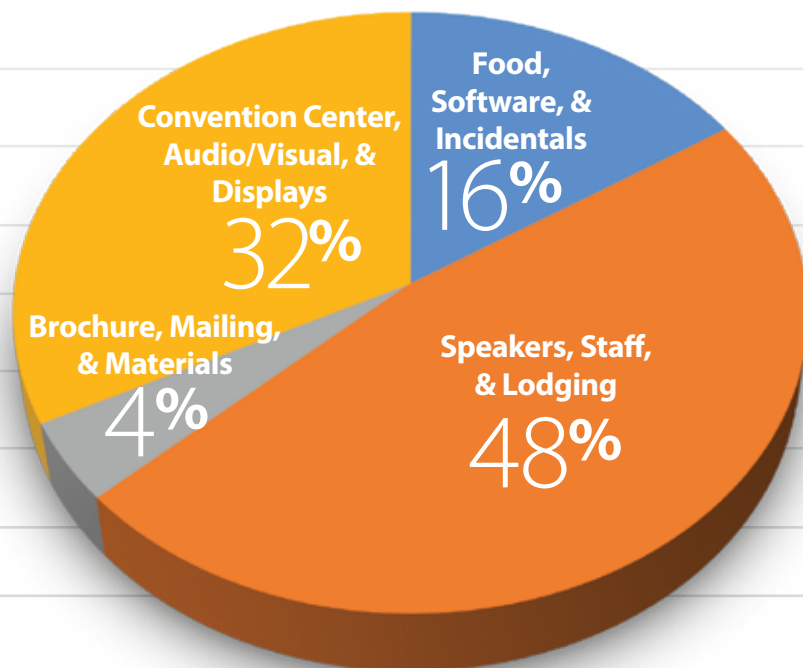

An idea! Elders and members often rent a large cabin for their congregation. They stay together for the week attending PTP. They buy groceries and cook together. The church pays for this. Then they stay over, at their own expense, and attend a show and eat out. Good relationship building and spiritual growth occur.

PTP 2018 EXPENSES

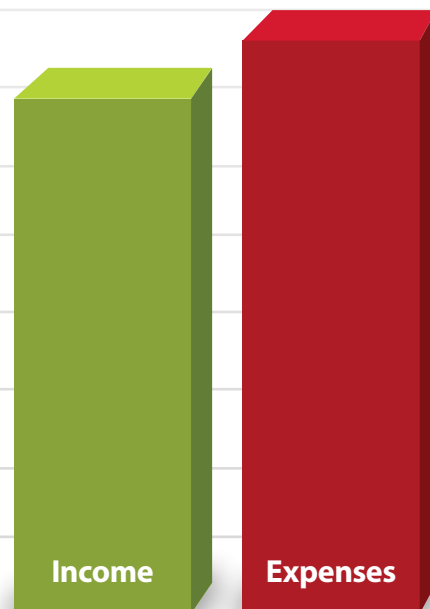

No director or congregation makes any money from PTP. The Jacksonville church of Christ, other congregations,

and some church members make up budget shortfalls. In addition, many speakers return their checks

or pay their own way (see more details at polishingthepulpit.com/where-does-my-tuition-go/).

2018 INCOME VS. EXPENSES

FAQs

“Is registration required if I am only coming for one day?” Yes, everyone must register. You can do this when you arrive.

“Is applause appropriate after speeches?” No, but amens are encouraged!

“May I record the sessions?” Yes, from your seat. You may not put anything on the stage. Also, no cords are allowed in the aisles.

“May ladies attend men’s sessions?” Yes.

“May men attend ladies’ sessions?” No (1 Timothy 2:12–13).

“Must I stay in one track?” No, you can “cross the tracks” and attend the classes that interest you most.

“What about the waterpark at the Wilderness Hotel?” The hotel waterpark will be closed during PTP. All the directors and overseeing elders oppose mixed swimming because of the Bible’s teaching on modesty (1 Timothy 2:9), our responsibility to avoid being a stumbling block to others (Romans 14:13), and our need to avoid putting ourselves into the path of temptation (Matthew 5:28; 6:13).

“It’s too cold in the classrooms.” It is hard to maintain a constant temperature in a big facility. The result is that it gets either too cold or too hot. Too cold is preferable, given our dress code (we can always bring a sweater or jacket).

“What is the usual dress for sessions?” Dress/casual. Most men wear ties or pullover shirts. Ladies wear dresses or pant suits. Suits and dresses are usual for worship services. The elders request conservative modesty rules be observed: no skirts above the knee, no shorts or tight clothing, no tops that show cleavage. These rules apply to both male and female. Teens arriving at any teen event not dressed appropriately will be asked to change. Those 5 years old and up must adhere to the dress code.

“Why don’t you sell CDs anymore?” We do. The USB drives allow us to replace much of our on-site equipment, but you can place an order for individual CDs and whole sets. Order forms available at polishingthepulpit.com and at the PTP registration table.

“How do I order DVDs?” DVDs of previous years’ PTP lessons can be

ordered from Sain Video Productions at sainpublications.com/shop/.

“The classrooms are too small. I couldn’t get in one session I really wanted.” We thought about knocking out the walls to make them bigger, but the Convention Center frowned on it. What can we say? It is what it is. We try to put the most popular subjects and speakers in larger venues, but just about everybody on the program is an outstanding presenter, so we run out of large rooms. If there is someone you really want to hear in a smaller classroom, we suggest you get there ten minutes early. Don’t expect to come into the class one minute prior and find a seat. Remember, anything that you miss, Lord willing, will be on the USB drive so you can hear it later. Plus, there are other awesome sessions going on in larger rooms at the same time. Roll with it and hear somebody new who may become a new favorite.

“Parking?” Yes it is free, and there are a few tricks that can cut down on frustration if you already had the class on patience last year. First, the side parking lot (beside EHB) has a back exit that gets

you right out onto the road. The closer you park to that, the better off you'll be. Also, carpool with people when you can—especially for lunch. If everybody did that, there would be half as many cars leaving. The best-kept secret is that you can park in the garage by the hotel for free, which also has a back exit to the road below. Never any waiting there.

"There is a screaming child in my class, and I can't hear what's going on. Don't they know I want to hear?"

Parenting is a struggle. We've all been there. PTP has done what we can to help this situation. We have free classes at most times for 2-year-olds and up (who are not in diapers). We have signs asking mothers to take a crying child out immediately. Remind yourself that you are a selfless Christian and that you know parents want to hear, too. It can be tiring and frustrating to be left out of sessions you really wanted to attend. The good news is that there are flash drives available, so everyone gets to hear the lesson later. And the best news is that there's a play area for the younger children. Be thankful they are rearing their children in the Lord. They are the future church.

"Why don't you have a changing area for special needs children?"

We have a room dedicated as a changing area near EHB. We also have a special needs room in EHB with a dedicated staff. We know that parents of special needs children are probably in need of the benefits of PTP, and we want to improve our service to them. We value your input on how we can improve.

"Will child care and children's classes be available?"

Yes, for ages 2 (must be potty-trained) and up. There is no charge.

"May I take my child under 2 into sessions?"

Yes. We ask that parents take a child out immediately if he/she cries or makes noise. You will be able to listen to the lesson after PTP on the USB drive.

"Can my child move up a class because his/her birthday is coming up soon?"

We have struggled with this. Please understand that there are some big logistical problems when you are working with 900 children. What we do is give parents the option to send their child to either class in the transition year. That is, if your child is turning 6 anytime this year, he may go to the 5- or 6-year-old class. If she turns 10 this year, she

can go to the 9-year-old class or the 10-year-old class. If a child is 4 or 8, then he cannot move up this year. However, they must go to the class you signed up for when registering them. We hear all kinds of reasons that a child should move up or down. We cannot make exceptions to keep siblings together or because a child is smart and "belongs" in a higher class. Please respect these rules and understand that they are for the benefit and safety of all the children.

"Can my 12-year-old go to teen classes and events?"

Only children that will be a teenager in the calendar year 2019 may attend teen events.

"Is Internet access available?"

Wifi = SCC_Wireless
Username = ptp
Password = guest

"May I make an announcement to the group?"

No, but there are tables in the hall where you may put flyers or other free material.

Lodging information is available on the PTP website.

Additional questions are covered online at www.polishingthepulpit.com.

Children will have the opportunity to study the Bible with experienced teachers who have put in hours of study and preparation. Wait! There's more. In addition to Bible study, there will be singing, arts & crafts, snacks, movies to watch, and . . . the beginning of new friendships that could last a lifetime.

Ages 11–12: PTP Camp

11- and 12-year-olds come together to enjoy Bible study and games in PTP Christian Camp. Counselors from Backwoods Christian Camp bring decades of experience working with children in a camp setting. Classes teens actually want to go to!

Hear rock-solid truth presented by great speakers who understand young people.

Singing straight from heaven

Sing old favorites, learn new favorites, and praise God with the voice He gave you.

Night owls

Special late-night activities include games, get-acquainted activities, off-site activities, and movies, plus inspiring singing and thought-provoking devotionals.

It's all about relationships

Teens love the classes, but they buzz about the fellowship. It's about people—seeing old friends and meeting new ones. Some friendships begin at PTP and last a lifetime—even into heaven!

Important stuff

- Appropriate dress for sessions is pants and shirts. No shorts, short skirts (above the knee), or low necklines anytime at PTP (including social events and after hours). Seriously. PTP T-shirts are highly thought of!
- The elders ask that we not use the pool areas during PTP (see FAQs).
- Maps/directions available in the PTP 2019 app.

Note to Parents: This is one of the most popular and fastest growing segments of PTP! We adjust each year to make the teen program better and flow more smoothly. This year we will not sign teens in and out of PTP Teen Late Night. Teens will have different activity options and may go back and forth between them. We will not provide transportation to off-site locations, although the hotel shuttle will run back/forth to the River Lodge Adventure Forest on Monday night. Teens are also free to leave Late Night activities early if parents prefer them back for an earlier bedtime. It is the responsibility of parents to ensure that his/her teen is in the right place and gets back to the hotel safely.

Nascar SpeedPark: \$19 per person (cash only). Unlimited-ride wristband allows unlimited play on eight Go-Kart Tracks (Smoky Mountain Speedway requires drivers to be 16 years old with

proof of age), Family & Thrill rides, two Mini Golf Courses, Indoor Rock Climbing Wall, Bumper Boat, Arcade, and more. Children under 12 may attend with a parent. Bring your PTP name tag and show it to the PTP Staff outside for discount. PTP staff will collect the payments. Please bring cash only.

Pigeon Forge Community Center:

This facility has three basketball courts, bowling center, racquetball courts, walking track, fitness center, ping-pong, foosball, and a PlayStation. Children under 12 may attend with a parent. Please follow PTP dress code (no shorts, etc.), as it will be enforced. Parents are responsible for getting teens to/from event but can pick up early if they want teens in for earlier bedtime.

Adventure Forest at River Lodge:

Height, weight, and dress restrictions apply. Parents are responsible for getting teens to/from the River Lodge but may utilize the free hotel shuttle. Children under 12 may attend with a parent. Cost: Free. See flyer at registration, the app, or the website for more details.

SevierAir Jump Park: This is Sevierville's newest and largest indoor family adventure park. The facility features 38,000 square feet of advanced and junior Warrior Courses, and trampolines. Parents are responsible for getting teens to/from this event. This event is for teens only. Cost: Free.

Take a photo: Would you like a picture with the friends you made at PTP? Capture a shot of your group with our free photo booths. Use the funny props to spice it up! You can upload photos to Facebook and Instagram through our iPad or your phone.

Skylift Park Gatlinburg. Experience the longest suspension bridge in North America with a spectacular view of the Smokies. Go anytime, but we are designating 2:00 p.m. Saturday afternoon for teens to go as an activity. Families are welcome. You are responsible for buying your own tickets. WORSHIP SERVICE TIMES

Time	Presenter	Topic	Room	Track
On-site Worship Services (Children's classes and cradle roll are in EHB from 8:30–10:15 a.m.) Due to Sunday attendance exceeding our space, PTP has three on-site worship services. The program is designed so both EHA groups can attend class before worship. Children's classes are offered only for those attending the second assembly, since out of necessity they take place during the first assembly. The overseeing elders and PTP directors do not believe in splitting the worship assembly (aka "children's church"), so we ask parents attending the first service to take children to worship with you.

You've probably heard of the 10/40 Window, the term referring to those countries that fall between 10 and 40 degrees north of the equator and have historically presented the greatest challenges to Christian missions. What's less known is that the same man who coined the 10/40 Window has spent the last decade urging ministry in the 4–14 Window. The 4–14 Window has nothing to do with geography; it has to do with age. It's about teaching children between the ages of 4 and 14-years-old. It's hard to overstate the importance of this mission. As church researcher George Barna has said, "What you believe at age 13 is pretty much what you're going to die believing." #456	BA	Elders Preachers

House to House Heart to Heart

What is your congregation doing to evangelize?

Is your community aware that the church of Christ is in their midst? House to House/Heart to Heart is a monthly publication designed to help congregations reach their communities and get more visitors and Bible studies.

Amy Moore

Amy threw HTH away for the first TWO YEARS she received it in her mailbox. One day she decided to read it. And then she reread it. She started anticipating HTH's arrival and saving each issue in a binder. She felt like someone was finally answering questions she had had her entire life. After reading several issues cover to cover, she visited the church. Now we have a new sister in Christ.

Four Preachers from HTH

At least four men who were converted by HTH now preach full time: Oscar Graves (graduate of Magnolia Bible College), Freddie Klein (Bear Valley; currently in Freed-Hardeman Master's Program); Joe Wilson (student at WVSOP), and Jonny Royal (attending MSOP).

Dolores Stocks

Dolores Stocks moved into a new apartment, which triggered an HTH New Mover mailing. She received HTH, and then, two weeks later, she got an HTH post card. The local preacher went the extra mile and sent her a personal letter, which encouraged her to contact the church. She has now been a VERY faithful sister in Christ for nearly two years.

Carol Hartline

Carol Hartline received an HTH mailing about a tent meeting local congregations were conducting. She attended every night, pursued Bible studies afterward, and now we have a new sister!

Meet William Holt

William Holt requested DVDs a local congregation offered in HTH. After watching them, he began doubting his salvation and requested further study with Christians. A few weeks later, he decided to put on Christ in baptism!

Join us in sending HTH into your community. It's easy. We design the mailpiece for you, get the addresses, and mail HTH straight into your community; you never need to visit the post office. You then follow up on your contacts, welcome visitors as walk through the door on Sunday, and be ready to answer Bible questions and conduct Bible studies. **Contact HTH at 1-877-338-3397 or dale@housetohouse.com.**

PTP & GSOP

PTP partners with the Georgia School of Preaching & Biblical Studies. GSOP courses are offered during PTP. Students may elect to take twelve hours of class time for either audit or credit. Credit students are given an additional window of time following PTP to complete required exams and course assignments. This year's courses are taught on a college/university level, and are transferable to select brotherhood schools of preaching, colleges, and universities. BUILDING FAMILY MEMORIES

Take a “Pray-cation”

You have heard of a vacation, and lately stay-cations have become popular, but PTP gives the unique opportunity for a “pray-cation.”

Many families and friends take their annual vacation to attend PTP, which offers an opportunity to combine the beauty and fun of the Smoky Mountains with the spiritual renewal

of Bible lessons, worship, singing, and prayer.

PTP is the one event that the whole family looks forward to. Children love PTP VBS and PTP Camp. Teens can't wait to see their friends again and to make new ones. Mom enjoys classes from a woman's perspective. Dad gets his pick of an array of subjects to challenge,

motivate, and encourage him. Getting to eat out a few times, driving through Cades Cove, playing putt-putt, doing some outlet shopping, or squeezing in a game of golf are just added benefits.

For the same cost as a family vacation, or perhaps a great deal less, a family can return home revived physically, emotionally, and most important, spiritually!

What is vacation really for?
