SPIRITUAL *Renewal* WEEKEND

August 19–21, 2016

Friday–Sunday • \$125 per adult
Register at polishingthepulpit.com

We want you to stay the whole week, but we know with school and jobs that many come only for the weekend. So come for a 3-day recharge at Spiritual Renewal Weekend. Starting Friday afternoon, we have a full schedule of classes for all ages. Come for the weekend, and next year perhaps God will open the door for the whole week!

You just have to *be here*

What is PTP? There is no easy answer.

It is like a lectureship, but it is not a lectureship. It is like a gospel meeting, summer camp, preachers' luncheon, Bible class, church fellowship, elders' retreat, missions report, ladies' day, youth rally, marriage retreat, training for service series, annual singing, VBS—but it is none of these things.

There is simply no way to describe the PTP experience to someone who has never attended.

You just have to be there—when 3000 people join in worship and singing, it is indescribable—when a thousand preachers feast on the Word and share their expertise, it is unlike anything you've seen before—when elders share wisdom to solve complicated issues, you'll be amazed—when 500 teens and youth get together, the excitement is palpable—when hundreds of women grow together

spiritually, the joy is evident—when 200 speakers cover 700 topics in 12 concurrent classes over seven days, your spiritual bucket will overflow and your heart will soar—when the constant challenge is deciding which class to attend because they all sound so interesting, you'll know you're at PTP.

The lessons are only part of the PTP experience. The fellowship . . . oh, the fellowship! Reconnect with friends from school or former congregations, meet legendary speakers one-on-one, make new friends to network with to accomplish wonderful things in the Kingdom.

Discouraged? Several preachers who had decided to quit went home from PTP determined to keep on serving. Congregations have been restored, mission works started, marriages saved, and friendships formed at PTP.

You just have to come to understand.

PTP is for **every member** of the Lord's church

PTP TEEN LAUNCH

What? PTP Teen Launch year is character-building and specialized training for teens by education, events, and experiences. Many students are interested in taking a year off between high school and college. From a Christian perspective, this is an opportunity to prepare them for spiritual success.

When? PTP Teen Launch will run from PTP to PTP. Graduation will be Saturday at PTP each year. It is designed to be the last year before a teen leaves home (a year between high school and college) or a homeschooler's senior year. It can also be used as homeschool Bible curriculum and completed over multiple years.

Why? We want to prepare our teens for outstanding service in the kingdom. PTP Teen Launch is an opportunity for students to fortify their faith, deepen their relationship with God, enjoy life and friends, and feast upon the Bible.

How? Utilizing 20+ years of PTP materials, with emphasis on PTP legends, PTP Teen Launch is an opportunity to extend the practical reach of PTP in God's kingdom.

MISSIONARY RENDEZVOUS

Trappers in the American West gathered as early as 1832 for a two-week rendezvous at Pierre's Hole in the Rocky Mountains. Each year, Indian and mountain man camps extended along the west side of the Teton Mountains, covering an area of seven square miles. It is estimated there were 400 mountain men, 108 lodges of Nez Perce, 80 lodges of Flatheads, and over 3,000 horses.

The rendezvous served several purposes, including selling furs, resupplying for the coming season, and recreation, contests, and games. Most participants

looked forward to it all year and had a good time swapping tall tales.

Missionaries, often alone in unfriendly territory, are the rugged mountain men of today's church. Like Pierre's Hole, PTP is a rendezvous in the mountains to recharge and resupply for the coming season. Instead of swapping tall tales, we swap sermons and ideas. Instead of playing games, we exchange information. Instead of selling furs, we enrich the soul through vibrant worship with more than 3,000 saints.

Ten nations were represented at last year's PTP. Just imagine if we could

encourage all our missionaries to make PTP a part of their support trips and fur-loughs. Think how much it could help the kingdom to have elders and church members invite their missionary families to join them at PTP and pay their way to come. To meet with a larger gathering of saints than they ever see on the mission field and to hear soul-stirring messages will recharge their batteries and extend their mission service.

The expanded track has 20 sessions over seven days, not counting evangelism and preachers' classes.

MENTORS—MEET & GREET

One of the exciting things about PTP is the chance to meet one-on-one with well-known preachers, missionaries, and writers in the brotherhood. One has several opportunities to benefit from the experience of others.

Pass It on Session

On Wednesday at 3:30 p.m. in the North Concourse, several preachers with decades of experience will pass on sermon outlines and other helpful materials. Not able to attend the session? Email contact@polishingthepulpit.com and we'll send you an electronic copy after we get home from PTP.

Graybeard's Forum

On the final day, PTP has expanded its immensely popular Graybeards' session of preachers 60 and over giving life-advice from their vast experience and study. Come early to get a seat.

Choosing Careers That Minister to Others (College and Singles Track)

Beginning in elementary school, mentors encourage students to "go to college and get a 'good job.'" Unfortunately, students seldom learn to qualify "good jobs" by any measures other than standards like financial prosperity, academic achievement, and potential influence.

This conditioning often contributes to discouragement, stress, debt, and temptation. Increasingly, students begin

academic pursuits, become disillusioned, and change majors—in some cases, multiple times. Other students complete degrees and enter fields of work only to experience frustration or to become so career-oriented that their spiritual interest declines.

These factors suggest a significant opportunity for the church to help young people make wiser career choices.

"Choosing Careers That Minister to Others" exposes students to good jobs as defined by serving the Lord. Students interact with professionals who utilize their training in careers that serve a kingdom purpose. In other cases, students meet individuals who consistently engage in amazing ministries while working in professions not normally associated with spiritual service.

Spiritual ministry should be an essential component of career planning. Students are encouraged to discover fields suited to their unique talents and spiritual goals. Each student will depart with a deepened awareness that every career potentially opens doors of service.

Format

During the initial session, panelists receive equal time to provide brief descriptions of their academic training and life experiences and to explain how their careers minister to others. Panelists will

identify related specific abilities, areas of study, and personality traits.

In the second period, panelists will be available to meet students one-on-one. Students interested in learning more about certain careers can meet panelists, receive additional information, and ask questions.

Go to the sessions Saturday (10:00 a.m.) in the Concourse Room to join in.

Addressing Concerns You Have Brought to Our Attention

“There are no food, coffee, drinks, snacks available.” It can be hard to see with all the awesome stuff here, but look harder . . . it is there. There is food available in the hotel restaurant and at the food vendor carts located in EHB and in front of the ballrooms.

“The food, coffee, drinks, snacks, are too expensive.” PTP does not make anything on the sale of food and drink. This is all handled by the in-house food vendor, contracted by the convention center, and we have no control over it. In fact, we pay a little bit to help keep drink prices lower.

“It’s too cold in the classrooms.” It is hard to maintain a constant temperature in a big facility. The result is that it either gets too cold or too hot. Too cold is preferable, given our dress code (we can always wear more clothes), which also keeps us awake for the late classes.

“There are no CDs to purchase now that you have these new-fangled USB drives.” You can place an order for individual CDs and whole sets. Order forms are available online and at the PTP registration table.

“It is too crowded in the halls, and people keep stopping and talking.” Good point. PTP is popular and more people come every year. We thought about moving to a bigger place, but everybody likes our current location. It adds to the excitement to be with so many people who love the Lord and good preaching. We have mapped out some alternate “express lane” routes to help those in the know to get around quicker (page 16).

“The classrooms are too small. I couldn’t get in one session I really wanted.” We thought about knocking out the walls to make them bigger but figured the Event Center would frown on it. What can we say? It is what it is. We try to put the most popular subjects and speakers in larger venues, but just about everybody on the program is an outstanding presenter, so we run out of large rooms. If there is someone you really want to hear in a smaller classroom, we suggest you get there ten minutes early. Don’t expect to come into the class one minute prior and find a seat. Remember, anything that you miss, Lord willing, will be on the USB drive so you can hear it later. Plus, there are other awesome sessions going on in larger rooms at the same time. Roll with it and hear somebody new who may be a blessing to you.

“Parking is a nightmare.” Well, we wouldn’t go that far, but it is crowded at peak times. Consider this a PTP class on “Learning Patience” and be thankful for the bonus session! There are a few tricks that can cut down on frustration if you already had the class on patience last year. First, the side parking lot (beside EHB) has a back exit that gets you right out onto the road. The closer you park to that, the better off you’ll be. Also, car pool with people when you can—especially for lunch. If everybody did that, there would be half as many cars. The best kept secret is that you can park in the parking garage by the hotel for free, which also has a back exit to the road below. Never any waiting there.

“There is a screaming child in my class, and I can’t hear what’s going on. Don’t they know I want to hear?” Parenting is a struggle. We’ve all been

there. PTP has done what we can to help this situation. We have free classes at most times for 2-year-olds and up (who are not in diapers). We have signs asking mothers to take their crying children out immediately. Remind yourself that you are a selfless Christian and that you know they want to hear, too, and it can be tiring and frustrating to be left out of sessions you really wanted to attend. The good news is that there are flash drives available so they’ll get to hear the lesson later. And the best news is that there’s a play area for the younger children. Be thankful they are rearing their children in the Lord. They are the future church.

“My child is so smart. He/she really should be able to move up into an older class.”

No.

“My child really wants to stay with his/her brother/sister.”

No.

“Can my child move up a class because his birthday is coming up soon?”

Children with a birthday before October can move up one class.

“My child’s birthday is on October 1. Can he/she move up?”

Fine.

“My child’s birthday is on October 2, can he/she move up?”

Stop it.

No offense intended, this is all tongue-in-cheek. Smile and remember that PTP is the place to refresh, recharge, renew!

CAN'T AFFORD TO COME?

We do not want anyone who needs a recharge to miss PTP because we charge for it. Some of the more discouraging works may be the very churches that cannot afford to send someone, so we've worked it out so one can come anyway.

We are happy to announce two new FREE options. Come to PTP Spark in Jacksonville on March 10–16, 2017 (more details on page 53). Second, come on Wednesday, August 24, to enjoy the last two days of PTP (a total of 115 class selections) for free!

Financial assistance is available for many who cannot otherwise come. Please do not apply just to see what you can get, but only if you cannot otherwise come. Fill out the form in the online registration process at polishingthepulpit.com. To sponsor someone, contact Polishing the Pulpit (877.338.3397).

Why a Fee at All?

From the beginning, the preachers who put PTP together expressed a desire to the Jacksonville elders to help bear the cost of what was benefiting their local works. It has always been a cooperative work.

PTP differs from a revival or evangelistic service in that it is a cooperative work of many congregations in educating and edifying their leaders, teachers, and members.

PTP is a workshop—a type of school. Its purpose is continuing education for preachers, elders, and other kingdom workers. Some churches establish schools to train preachers, and then other congregations send their young men to study in those schools. They assist the overseeing congregation with the finances required to run the school.

This is what churches do with PTP. The Jacksonville church of Christ oversees the work, and other churches and individuals

help bear the expense by covering the cost of sending their preachers, elders, and other members. If it is good to send a young man to a school for two or four years to begin his education, then it makes sense to send him a year later to PTP to continue his education.

Splitting the cost equally among those attending is also fair. The fee pays for the materials participants receive during the week (schedules, books, handouts, etc.), promotional costs, some of the meal costs and child care, equipment rental and conference space costs, and speakers' lodging and travel expenses.

No church or individual makes anything from PTP. In fact, the overseeing church, hosting churches, directors, and many individuals sacrifice a great deal to make up the shortfall each year.

We rejoice that this cooperation enables the brotherhood to have an event that otherwise would not be possible.

New This Year

New this year, Celine Sparks will take her years of experience with the PTP VBS and expand these activities to all ages. Activities will include the bouncy houses, a missions fair, carnival, appearances by Digger Doug and Iguanadon, and tours through the New Testament Village and Galilean boat—a fun-filled learning experience that you don't want to miss.

Ages 2–5

Child care is divided into ages 2–3 (potty-trained only) and ages 4–5. A little learning, a little fun, a great memory of PTP!

Ages 6–9: PTP VBS

VBS is a fun way to come together in a classroom-style learning environment designed for each individual age group. Children will have the opportunity to study the Bible with experienced teachers who have put in hours of study and preparation for these classes. Wait! There's more. In addition to Bible study, there will be singing, arts & crafts, snacks, movies to watch, time in the bouncy house, and... the beginning of new friendships that could last a lifetime.

Ages 10–12: PTP Camp

10–12-year-olds come together to enjoy Bible study and games in PTP Christian Camp. Chad Dollahite, Brint Rice, Rob Baker, and Jason Chesser from Backwoods Christian Camp bring decades of experience working with children in a camp setting. Children gain valuable lessons in a fun atmosphere. In the afternoons, there is an optional Future Preachers class for interested boys.

TEENS

LATE NIGHT PTP

Classes teens actually want to go to!

Rock solid truth presented by great speakers who understand young people.

This year features divided junior/senior high, girls only/boys only classes, and age restrictions on night activities (13–18 only!).

Singing straight from heaven

Sing old favorites, learn new favorites, and praise God with the voice He gave you.

Night owls

Special late-night activities in the Exhibit Hall include games, get-acquainted activities, and laser tag, plus inspiring singing and thought-provoking devotionals.

It's all about relationships

Teens love the classes, but they buzz about the fellowship. It's about people—seeing old friends and meeting new ones. Some friendships begin at PTP and last a lifetime—even into heaven!

Important stuff

- Appropriate dress for sessions is pants/shirts. No shorts, short skirts (above the knee), or low necklines anytime at PTP (including social events and after hours). Seriously. PTP T-shirts are highly thought of!
- The elders ask that we not use the pool areas during PTP (see FAQs).
- Maps/directions: pages 15 or 16, or use the PTP 2016 app.

EXTRA TEEN CURRICULAR!

Friday night

Children and pre-teens can take advantage of a bouncy castle. Teens can race each other in a huge, inflatable obstacle course!

How do those battles relate to the battle of Armageddon mentioned in Revelation?	EHA	Archeology Members

	Lori Boyd	Our Charge to Pray. We understand the importance of prayer. We know the benefits, necessity, and privilege of prayer. So why do we sometimes struggle in this area of our spiritual lives? We have to identify our prayer barriers and then determine ways to break down those walls. Next, we need to develop a prayer strategy. This lesson revolves around practical ways to improve our prayer lives, including how to pray, when to pray, and what to pray. Becoming a fervently praying Christian is powerful and life-changing! For two millennia determining the location of Jesus' crucifixion and burial has been a subject of curiosity and investigation. While attention is given to the possible sites, this serves as a powerful backdrop for discussing appropriate interest for identifying these sites—in contrast to the adoration of sites and relics that borders on idolatry—as well as an opportunity to speak of the resurrection and the enduring message of the cross. As a brotherhood, we need immediate improvement in this area. I'm constantly searching for young men to groom. BUILDING FAMILY MEMORIES

Take a "Pray-cation"

You have heard of a vacation, and lately stay-cations have become popular, but PTP gives the unique opportunity for a "pray-cation."

Many families and friends take their annual vacation to attend PTP, which offers an opportunity to combine the beauty and fun of the Smoky Mountains with

the spiritual renewal of Bible lessons, worship, singing, and prayer.

PTP is the one event that the whole family looks forward to. Children love PTP VBS and PTP Camp. Teens can't wait to see their friends again, and make new ones. Mom enjoys classes from a woman's perspective. Dad gets his pick of an array of subjects to challenge,

motivate, and encourage him. Getting to eat out a few times, driving through Cades Cove, playing putt-putt, doing some outlet shopping, or squeezing in a game of golf are just added benefits.

For the same cost as a family vacation, or perhaps a great deal less, a family can return home revived physically, emotionally, and most important, spiritually!

What is vacation really for?
