## Keynote Lessons

### Jesus, the Great Physician

This year's keynote series centers on Jesus as the Great Physician. Each lesson considers a different aspect of how He works in people's lives, not just on the surface, but at the level of the heart, mind, and will. As the week unfolds, the series builds a clear picture of Christ's authority, His understanding, and His power to restore what is broken. For the entire week, speakers will point us back to the Great Physician.

- 8/12** *Dan Winkler:* Jesus, the Great Physician
- 8/14** *Glenn Colley:* Jesus, the Infectious Disease Specialist—He Cleanses What's Contagious
- 8/14** *Eric Garner:* Jesus, the Optometrist—He Changes How We See
- 8/15** *Dan Winkler:* Jesus, the Neurologist—He renews the Mind (Romans 12:2)
- 8/16** *B. J. Clarke:* Jesus, the Orthopedist—He Straightens What's Crooked
- 8/16** *Steve Higginbotham:* Jesus, the Oncologist—He Removes What's Killing You (Colossians 3:5–10)
- 8/16** *Eric Owens:* Jesus, The Emergency Physician—He Shows Up When It's Critical
- 8/17** *Joshua Cantrell:* Two for One: Jesus, the Sleep Specialist—He Gives Rest to the Weary (Matthew 11:28–30)
- Joe Wells:* Two for One: Jesus, the Speech Therapist—He Redeems the Way We Talk (Matthew 12:34–37)
- 8/18** *Greg Dismuke:* Bring a Friend Night: Jesus, the Cardiologist—He Heals the Heart (Psalm 51:10)
- 8/19** *Cliff Goodwin:* Jesus, the Psychiatrist—He Calms the Troubled Mind (Mark 5:15; Philipians 4:6–7)
- 8/20** *David Smith:* Final Charge: The Great Physician Is Taking New Patients—Go Tell Your Friends!

## New Series

**In their Sandals—John Moore.** See the world through the eyes of those who

were there. What has been discovered? What did they encounter? What challenges did they face? And, how can this help me in my own walk of faith?

**Studies in First Samuel.** The textual lessons are a favorite part of the week for many at PTP, and it doesn't get much better than Cliff Goodwin's studies on books of the Bible. This year's sessions on First Samuel will take a deep, careful look at the text, tracing the rise of Israel's monarchy and the spiritual lessons woven throughout the narrative. With clarity and strong application, Cliff walks through the lives, decisions, and turning points that shape the book, helping listeners see both the big picture and the details that are often missed.

### Things the Bible Does Not Apologize For.

Scripture does not hesitate, soften, or revise what God has said. This series focuses on truths the Bible presents plainly, even when they challenge modern thinking. It confronts the pressure to explain away difficult teachings and instead commands Christians to trust God's authority, wisdom, and justice. These lessons are designed to steady conviction, remove embarrassment about hard truths, and help Christians stand with confidence in a world that often expects compromise.

### 21st Century Challenges for Every Christian.

Christians today are not facing new problems as much as familiar ones in new forms. Distraction, shallow relationships, distorted worship, and fading commitment all press harder in a digital, fast-moving world. This series of practical lessons addresses the real challenges Christians face right now, calling us to deeper faith, stronger convictions, and more intentional living while helping us to navigate modern pressures without losing what matters most.

### Islam, the Quran, and Christianity.

Islam is not something happening on the other side of the world. It is present in our cities, in our workplaces, and in everyday conversations. Dave Miller's sessions take that reality seriously, helping Christians understand what Islam teaches and how it differs from the truth of Scripture. These lessons deal with real questions people

are asking right now and prepare you to respond thoughtfully and faithfully. If you want to be ready for those conversations, this series meets that need head-on.

### When the Lord Looks Down From Heaven.

What does God see when He looks at His people? Scripture gives us several moments when the Lord looks down from heaven and responds to what He sees, revealing His expectations, His standards, and His concern for how His people live. This series traces those scenes and brings them forward to the present, helping us see that the same God still observes, evaluates, and responds today.

**Brainstorming Panel.** For the last few years, PTP has hosted private brainstorming sessions with wise, biblically sound men—honest, thoughtful conversations on difficult issues facing the church. This year, we are excited to bring those conversations into the open. These sessions will feature a panel of five men, engaging in live, Scripture-centered discussion. The goal is to model careful thinking, respectful dialogue, and practical problem-solving in real time. This year's panels in Sevierville will focus on Using AI in the Local Congregation, Fixing Church Problems Before They Become Church Splits, Why Kids Quit Loving the Church—and How to Change It, and Building a Discipleship Plan That Works. We hope you will leave these sessions with clear, biblical insight and actionable ideas you can take home.

# OPPORTUNITIES/CONTINUING EDUCATION

## Missionary Rendezvous

Thirteen nations were represented at last year's PTP. Missionaries often make PTP a part of their support trips and furloughs. Elders and church members invite missionary families to join them at PTP and pay their way. Missionaries hear soul-stirring messages to recharge their batteries and extend their mission service. This year the missionary track has 16 sessions (pg. 11).

## Mentors

One exciting thing about PTP is the opportunity to meet one-on-one with

well-known preachers, missionaries, and writers of the brotherhood and to meet with others who struggle with the same issues as you. There are many opportunities to benefit from the experience of others.

**Greybeards' Forum:** The popular Greybeards' Forum features preachers who are 60 and over giving life advice. It's always the last day of PTP (pg. 40).

**Homeschool:** Get together at the home-school huddle to exchange ideas, attend a panel, or listen to advice from those who have been through it (pgs. 16, 35).

## Meet and Greet

Looking to make some new friends in Christ? Come and share some time together.

- Families of children with special needs (pg. 16).
- Foster Families (pg. 26).
- House to House School of Evangelism (pgs. 16, 32).
- Churches looking for preachers and preachers looking for churches. Bring résumés and job descriptions (pg. 29).

# FAQs

**“Is registration required if I am only coming for one day?”** Yes, everyone must register. You can register for a day pass online or register when you arrive.

**“Is applause appropriate after speeches?”** No, but amens are encouraged!

**“What is the usual dress for sessions?”** Dress as you would for Sunday morning church. Many men wear sports coats, dress shirts, or pullover collared shirts. Ladies wear dresses or dress pants. Suits and dresses are usual for worship services. The directors request conservative modesty rules be observed throughout: no shorts, no skirts above the knee, no tight clothing, no low-cut tops (front or back). These rules apply to both males and females, and include teens/pre-teens attending any event (even pre-function and offsite). Those not dressed appropriately will be asked kindly to change. The dress code is for those of school age through adults. (These rules do not apply to those five years old and younger.)

**“May I record the sessions?”** Yes, from your seat. You may not put anything on the stage, and no cords are allowed in the aisles. You may not live stream or post sessions on social media or the internet.

**“May ladies attend men’s sessions?”** Yes.

**“May men attend ladies’ sessions?”** No (1 Timothy 2:12–13).

**“Must I stay in one track?”** No, you can attend the classes that interest you most.

**“What about hotel pools?”** We request the hotels to close pools during PTP. If they remain open, we request PTPers not use them. The directors and overseeing elders oppose mixed swimming because of the Bible’s teaching on modesty (1 Timothy 2:9), our responsibility to avoid being a stumbling block to others (Romans 14:13), and our need to avoid putting ourselves into the path of temptation (Matthew 5:28; 6:13).

**“It’s too cold in the classrooms.”** It is hard to maintain a constant temperature in a big facility. The result is that it gets

either too cold or too hot. Too cold is preferable. You may want to bring a sweater or jacket.

**“Parking?”** Yes, it is free, and there are a few tricks that can lower frustration. First, the side parking lot (beside EHB) has a back exit that gets you right out onto the road. The closer you park to that, the better off you will be. Also, carpool with people when you can—especially for lunch. The best-kept secret is that you can park in the garage by the hotel for free, which has a back exit to the road below. Never any waiting there.

**“Some classrooms are small. I couldn’t get in one session I really wanted.”** We try to put the most popular subjects and speakers in larger venues, but just about everybody on the program is an outstanding presenter, so we run out of large rooms. If there is someone you really want to hear in a smaller classroom, we suggest you get there early. Remember, anything that you miss, Lord willing, will be accessible after PTP so you can hear it later. Plus, there are other awesome sessions going on in larger rooms at the same time. Roll with it and hear somebody new (who may become a new favorite).

**“Will childcare and children’s classes be available?”** Yes, for ages 2 (must be potty-trained) and up. There is no charge.

**“May I take my child under 2 into sessions?”** Yes. We ask that parents be considerate and leave if the child cries. You will be able to listen to the lesson after PTP.

**“There is a screaming child in my class, and I can’t hear what’s going on.”** Parenting is a struggle. We’ve all been there. PTP has done what we can to help this situation. We have free classes at most times for 2-year-olds and up. There’s a play area for the younger children. We have signs asking parents to take a crying child out immediately. Remind yourself that you are a selfless Christian and that you know parents want to hear, too. It can be tiring and frustrating to be left out of sessions you really wanted to attend. The good news is that there are digital downloads available, so everyone gets to hear the

lesson later. Be thankful these parents are rearing their children in the Lord. They are the future of the church.

**“Can my child move up a class because his/her birthday is coming up soon?”** We have struggled with this. There are logistical problems when working with 900 children. What we do is give parents the option to send a child to either class in the transition year. The transition years are ages 6 and 11. Six-year-olds transition to PTP VBS. That is, if your child is turning 6 anytime this year, he may go to the 5- or 6-year-old class. Eleven-year-olds transition to PTP Camp. That is, if your child is turning 11 anytime this year, she may go to the 10-year-old class or PTP camp. However, they must go to the class you signed up for when registering them. We hear all kinds of reasons why a child should move up or down at other ages. We cannot make exceptions to keep siblings together or because a child is smart and “belongs” in a higher class. Please respect these rules and understand they are for the benefit and safety of all children.

**“Can my 12-year-old go to teen classes and events?”** Only children who will be teenagers in the calendar year 2026 may attend teen events. (There are pre-teen events.)

**“Is Internet access available?”**

Wifi = SCC\_Wireless

Username = ptp | Password = guest

**“May I make an announcement to the group?”** No, but there are tables in the hall where you may put flyers or other free material.

**Lodging information is available on the PTP website.**

**Additional questions are covered online at [www.polishingthepulpit.com](http://www.polishingthepulpit.com).**

## Night owls

Late-night activities include games, get-acquainted activities, and off-site activities, plus inspiring singing and thought-provoking devotionals.

Teens love the classes, but they buzz about the fellowship. It's about people—seeing old friends and meeting new ones. Some friendships begin at PTP and last a lifetime—even into heaven!

## Important stuff

- Appropriate dress for sessions is pants and shirts. No shorts, skirts above the knee, or low necklines anytime at PTP (including social events and after hours). Seriously. PTP T-shirts are highly thought of!
- The elders ask that we not use the pool areas during PTP (see FAQs).
- Maps/directions available in the PTP app.

**Note to Parents:** This is one of the fastest growing segments of PTP! We adjust each year to make the teen program better and flow more smoothly. We will not provide transportation to off-site locations, although the hotel shuttle runs to and from the River Lodge Adventure Forest on Wednesday night. Teens are free to leave Late Night activities early if parents prefer them back for an earlier bedtime. It is the responsibility of parents to ensure that their teens are in the right place and get back to the hotel safely.

Thanks are extended to Faulkner University for sponsoring the magic show.

**Please note: The dress code (no shorts) will be enforced at all events. Athletic shoes are recommended. All pre-teens must be accompanied by an adult (no individual may bring a group). Pre-teen events are reserved for ages 10–12 only, and teen events are for teenagers 13+ only. Thank you for keeping PTP safe, fun, and focused on spiritual growth.**

### Children's classes: ages 2-12.

Teen classes and activities are listed in the adult schedule.

Please notice the times that children's classes end; pick up your children accordingly. Make sure we can contact you via cell phone anytime your child is in class. However, keep your phone on vibrate so as not to disturb a class.

Join us for a bedtime Bible devotional for children throughout the week.

**Exceptional Needs Room:** Special needs children, welcome! We have a staffed room. Please contact Drew Hudgens (dhudgens@housetohouse.com or 501.463.3500) with questions and to find out available hours.

### Ages 2-5

Child care is for ages 2-5 (potty-trained children only). A little learning, a little fun, a great memory of PTP!

### Ages 6-10: PTP VBS

VBS is a fun way to come together in a classroom-style learning environment designed for each individual age group. Children will have the opportunity to study the Bible with experienced teachers who have put in hours of study and preparation. Wait! There's more. In addition to Bible study, there will be singing, arts and crafts, snacks, Digger Doug to watch, and the beginning of new friendships that could last a lifetime.

### Ages 11-12: PTP Camp

All 11- and 12-year-olds can come together to enjoy Bible study and games in PTP Camp. Counselors from Backwoods Christian Camp bring decades of experience working with children in a camp setting. Children gain valuable lessons in a fun atmosphere. In the afternoons, there is an optional Future Leaders class for interested boys.

| 2:15–2:45 PM | Kim Chalmers                 | Supporting Sisters: The Lost Art of Bearing Each Other's Burdens and Listening Well. We all struggle from time to time. One of the sweetest gifts within the Lord's church is that we are never meant to carry burdens alone. God has given us sisters who come alongside us to encourage, support, and help shoulder the weight. One of the most important ways to support is active listening. We will discuss examples of how Jesus and others in the Bible practiced active listening. You will gain practical tools for when a sister says, "I'm struggling. Can we talk?" | MCD  | Women                       |

## WORSHIP/BIBLE CLASS SCHEDULES

**On-site Worship Services:** Due to Sunday attendance exceeding our space, PTP has three on-site worship services. The program is designed so adults can attend class before the 9:00 or 10:30 worship service. **Children's classes and cradle roll are offered at 8:45–10:15 a.m. for those attending the 10:30 a.m. worship service**, since out of necessity, they take place during the first assembly. The overseeing elders and PTP directors do not believe in splitting the worship assembly (aka "children's church"), so we ask parents attending the first service to take children to worship with you.

**Off-site Worship Locations:** Gatlinburg church of Christ (AM and PM), Great Smoky Mountains church of Christ (AM and PM), Jefferson City church of Christ (AM only), Karns church of Christ (AM only), Kodak church of Christ (AM only), and South Knoxville church of Christ (AM only).

Being the last sessions of the afternoon, the opportunity is there for families to spend more time together during the supper break. Reserve your slot before the event, as the space is limited. | 10:00–10:45 AM | Matt Wallin                  | The Big Picture of Scripture: A 30,000-foot View. Many of us learned to sing “Jesus Loves Me” long before we really knew who Jesus is. That can be good, but it can also cause problems. We often study the Bible backward. We start with the New Testament and only later, if ever, get around to the Old Testament. That is not how the Bible was written, and it is not how God’s people first studied it. They knew the Old Testament well, which helped them understand the New Testament! Join us for a one-sermon summary of the Bible as we walk through the Old Testament, tracing concepts like “church,” “gospel,” and “Jesus” long before the manger or the cross. By the end of the study, you will be able to open your Bible and know the story that ties it all together. | HDC  | Textual                        |

# House to House Heart to Heart

## The Increasing Power of Postal Mail Today

Is direct mail a thing of the past? Research says "No." *House to House, Heart to Heart* remains the best contact generator in the churches of Christ for reaching communities with the gospel.

- Direct mail studies show 70% of people were driven toward an online activity by direct mail.
- Direct mail response rates are 5 to 9 times higher than any other advertising channel.
- Seventy-three percent of American consumers prefer being contacted by brands via direct mail because they can read mail at their convenience.

People are reverting to preferring hand-held marketing communications. One-third of consumers report feeling overwhelmed by technology.

Digital advertising costs continue to climb dramatically, while direct mail postage has risen far more gradually. In recent years, Meta (Facebook) ads have increased significantly, while USPS mailing rates have increased by only 4–5% annually. Direct mail remains one of the most cost-effective ways to reach homes.

Target your community on a monthly cycle to build familiarity with the Lord's church. We can add a QR code that directs them to your YouTube channel, Facebook page, or church website to increase the chance they interact with *House to House, Heart to Heart* and visit you.

Join churches of Christ in sending HTH into your community. It's easy. We design the mail piece, get the addresses, and mail HTH for you; you never need to visit the post office. You follow up on contacts, welcome visitors as they walk through the door, and be ready to answer Bible questions and conduct Bible studies. **Contact HTH at 1.877.338.3397 or [matt@housetohouse.com](mailto:matt@housetohouse.com).**
